**Re: HART Engineering Change Order 01587**

Dear Pam Geppert,

The EAC has reviewed Engineering Change Order (ECO) 01587, including supporting documentation and analysis provided by the voting system test lab. The ECO impacts the Verity 2.3, 2.3.3, 2.3.4, 2.4, 2.5, 2.6, and 2.7 systems. This minor change to the optional paper guide for the Verity Touch Writer Duo does not alter the system's reliability, functionality, capability, or operation. Based on the information provided, it has been determined that no further testing is necessary.

This correspondence is to inform you that HART ECO 01587 is approved.

Sincerely,

---

Jonathan Le  
Senior Election Technology Specialist, Testing & Certification
