

**ENGINEER CHANGE ORDER (ECO) ANALYSIS FORM****Manufacturer:** Clear Ballot Group (CBG)**System:** ClearVote 2.0**ECO Number:** HW-873**ECO Description:** Replacement laptop for EOL component**Overview:**

Clear Ballot Group has been notified by Dell that the Latitude 5590 laptop currently used by ClearCount and ClearDesign is now End-of-Life and will be replaced by the Latitude 5500 model.

This change affects the EAC-certified ClearVote 2.0 system as well as certified systems in the following states: WI, OH, PA, NC, and CO

Supporting Documentation:

- 02 - ECO Request Form - HW-873 (ClearVote Laptop Latitude 5500) V2.pdf (CBG ECO)
- 03 - Latitude 5500 Specification Sheet.pdf (replacement component)
- 04 - Latitude 5590 Specification Sheet.pdf (current component)
- 05 - Dell Latitude 5590 and Dell Latitude 5500 Comparison Sheet.xlsx (current component)
- 06 - Dell Latitude 5500 Product Compliance Datasheet.pdf (replacement component)
- 07 - Dell Latitude 5500 Test Cases for ClearVote 2.0.xlsx (CBG Test Execution Report)

Engineering Recommendation:

Reviewed documented internal testing conducted by CBG and supporting documentation to determine acceptance. New model is comparable to old model. New model is determined to be acceptable replacement. No additional testing required.

Engineering Analysis: De Minimis**Reviewer:**
