PROVISIONAL BALLOTS

- Unexpected surprise!

- Average for the mid-term primary is approx. 125-150

- WE HAD ONE (PHOTO ID)

"DIMPLE" the Clerk

- She has seen so many changes in her 60+ years serving as a poll worker
- Dimple was not ready for this new fangled contraption. Only the "young people" will use this
- This will never work

DIMPLE

"It's the best thing since sliced bread"

SUMMARY

- EPBs have brought efficiency to our process in many areas.
